A-833 Spool-Knit Belt

J. & P. COATS METALLIC "KNIT-CRO-SHEEN," Art. A.64-M: 3 balls of No. 90-B Gold.

Milwards Steel Crochet Hook, No. 7.

6 bone rings, 1 inch in diameter.

Put one ball aside to be used later for tassels.

RING (Make 3 rings from each ball): Sc closely around ring. Join with sl st to first sc. Break off and fasten.

HOW TO MAKE A CORD IN SPOOL KNITTING

NOTE: Use a ready-made knitting spool or make a spool as follows: Allowing the heads to extend ⅜ inch above top of spool, nail four 1-inch finishing nails evenly spaced into a large empty wooden spool (Fig. 1). Use 2 strands held together throughout. Make a cord of Spool Knitting, using the remaining 2 balls.

Step 1 Drop thread through hole so that end extends 2 inches below bottom of spool (Fig. 1). Working from right to left, wind thread around each nail as shown in Fig. 2. This completes first rnd.

Step 2 Place thread around outside and on top of loop on next nail (Fig. 3).

Step 3 Insert hook in loop on same nail (Fig. 4) and draw loop over the thread and off nail (Fig. 5). Repeat Steps 2 and 3 for desired length.

Step 4 To complete cord, break off leaving a 4-inch end. Thread end into a needle and run through the 4 loops on spool; remove loops from spool, pull end tight, then fasten securely.

Cut cord into 3 equal parts, catching the 4 loops at each cut end to prevent ravelling. Placing the pieces evenly side by side, braid a 6-inch section at center for back of belt. Secure beginning and end of braiding. Leaving 10 inches unbraided at each side of center back braiding, braid a 3-inch section for each front. Secure ends of braiding as before. At center of each of the 2 unbraided sections, place 1 ring between first and 2nd cord and 1 ring between 2nd and 3rd cord and sew in place as shown. Sew 1 ring to the end of 3 cords on each side.

For tassels, wind the ball set aside plus remaining thread, into two equal balls.

Tassel (Make 2): Using 1 ball, cut two 10-inch lengths of thread and lay aside. Wind remaining thread around an 8½-inch piece of cardboard. Draw one 10-inch length under strands at one end and tie securely. Slip from cardboard and cut strands at opposite end. Wind other strand twice around tassel 1 inch below tied end and fasten. Trim evenly.

Sew a tassel to each end-ring.
